We reviewed the minutes from the July meeting and approved them by vote.

We reviewed the financial report for July.

It was decided by the group that we should announce at meetings that Intergroup has 16 journals available for sale to groups at \$14 each and that they would need to contact Mary Jo A. at [maryjo@hotmail.com](mailto:maryjo@hotmail.com) to purchase.

A question came up about how much to keep for prudent reserve and Beverly J. stated that this is decided at year-end sometime between October and December.

Shirley F. will be going to the region fall assembly in September.

It was stated that next year's region convention will be held in July and Beverly J. stated that she thinks it will be in Omaha, NE. Kansas City's piece will be to perform a skit.

Super Saturday in August was well attended with over 38 attendees plus \$382.75 in literature sold. Donations are still being counted.

Upcoming Events: Beverly J. brought flyers for the fall retreat coming up in October. Emporia Kansas convention is coming in September. They did not state a registration cutoff but because they are providing lunch, people should register by the end of August. Flyers are on the website. Shirley F., Beverly J. and Carmain are working on the program. For the fall retreat, 4 speakers are coming: 2 from St. Joe and 2 from Minnesota.
